

# weddings at canoe grounds farm

Canoe Grounds is the perfect destination to reconnect with nature. Nestled atop a mountain 270m above sea level and is mostly surrounded by Marramarr National Park. It feels like you could be anywhere in Australia, but it's only an hour's drive from Sydney CBD.

45-acre farm boasts an array of beautiful event locations, including our chapel, wedding garden, outdoor fire pit, on-site bar, bathroom facilities, and on-site parking. But the most amazing part of this property is the stunning mountain views, providing an ideal backdrop for your special occasion.

Our official catering partner is Glenorie Bakery, voted three times for the best bakery in Australia. You are sure to be amazed by the food and the idyllic farm location. To enhance you and your guests experience, we also offer a luxurious on-site Sunset Glamping (upon request) and a wide range of catering services.
